Amended on Feb. 21, 2017 Regulation No. 238

Amended on May 25, 2017 Academic Support Team-708 (May 29, 2017)

Amended on Jun. 22, 2018 Academic Support Team-786 (Jun. 29, 2018)

Amended on Nov. 27, 2018 Academic Support Team-1420 (Nov. 27, 2018)

Amended on Jun. 8, 2020 Handong University Electronic Approval-20-03984 (Jun. 8, 2020)

| Chapter 1 General Provisions |

| Chapter 2 Selection of Students of the University for Overseas Studies, Etc. |

| Chapter 3 Recognition of Credits After the Overseas Studies |

| Chapter 4 Courses to be Taken at the University While Studying Abroad |

| ADDENDUM |

Chapter 1 General Provisions

Article 1 (Purpose)

These bylaws seek to specify matters regarding the recognition of credits earned in other universities in Korea or in foreign countries pursuant to Article 177 of Academic Regulation. (Amended on Dec. 7, 2012) (Nov. 27, 2018)

Article 2 (Definitions)

The terms used in these bylaws shall have the following definitions:

1. "University with an agreement" refers to other universities in Korea or in foreign countries that has concluded a academic exchange agreement with Handong Global University (hereinafter referred to as "University").(Amended on Dec.7,2012)
2. "University without any agreement" pertains to other universities in Korea or in foreign countries that has not made any academic exchange agreement with the university.(Amended on Dec.7,2012)
3. "University for exchange students" refers to either a university with an agreement or without

any agreement where students of the university study.(Amended on Dec.7,2012)

4. "Professor in adviser of a course" refers to a professor who is related to the course appointed by the dean of the school that opens the course.(Newly established on Dec. 7, 2012)

Chapter 2 Selection of Exchange Students of the University, Etc.

Article 3 (University for exchange students)

In principle, University for exchange students studies should be universities with an agreement; however, the criteria for universities for overseas studies without any agreement should be determined by the Office of Academic Affairs or the Office of International Affairs.(Amended on Dec.7,2012)

Article 4 (Qualification for Exchange Students and Application)

The qualification for exchange students and criteria for application for exchange studies should be determined by the Office of Academic Affairs in case of a university in Korea, and by the Office of International Affairs for a university in a foreign country.(Amended on Dec.7,2012)

Article 5 (Criteria for Selection and Selection)

Matters regarding the criteria for selection and selection should be determined by the Office of Academic Affairs in case of a university in Korea, and by the Office of International Affairs for a university in a foreign country.(Amended on Dec.7,2012)

Article 6 (Period of Exchange Studies)

1. The number of times and period of exchange studies should be determined by the Office of Academic Affairs in case of a university in Korea, and by the Office of International Affairs for a university in a foreign country, and the total number of times and period of exchange studies available during school days are determined by the Office of Academic Affairs. (Amended on Dec. 7, 2012)
2. The total period of exchange studies in other universities at home and abroad during school days shall not be longer than two years. (Newly established on Dec. 7, 2012)
3. The period of exchange studies during seasonal terms shall not be included in the number of times and period of exchange studies, and the credits that can be earned are limited to less than 6 credits per semester. (Newly established on Dec. 7, 2012)

Article 7 (Payment of Tuition Fees and Expenses)

1. Students who have been permitted for exchange study in any of universities with an agreement particularly on the exemption of students from paying tuition fees should get confirmation for exchange studies from the university and study after paying the tuition fees to the university.(Amended on Dec.7,2012)
2. Students who exchange study in universities without any agreement should pay both the specified tuition fees of the university and those of the universities without any agreement.(Amended on Dec.7,2012)
3. The study expenses of exchange students in universities with an agreement or universities without any agreement may be reduced pursuant to the criteria determined by the Office of Student Affairs.(Amended on Dec.7,2012)
4. All other expenses necessary of exchange students should be paid by the student.(Amended on Dec.7,2012)

Article 8 (Registration for Courses)

In case of exchange study, students should register with Handong University for the courses to be taken in the university and register with the university for exchange studies for the courses of the university for exchange studies.(Amended on Dec.7,2012)

Chapter 3 Recognition of Credits After the Exchange Studies

Article 9 (Limits to the Recognition of Credits)

1. To have the credits from a university for exchange studies recognized, the exchange student should get confirmation from the professor in charge (adviser) in Handong about whether credits are recognizable in Handong University and should study while in school; however, the procedure for confirmation from the professor in charge about whether or not credits are recognizable can be omitted when students want to complete the liberal arts courses whose credits have already been recognized. (Amended on Jun. 22, 2018)
2. The earned credits should be recognized within the following limits, but the completion categories can be recognized as general studies, global convergence studies, majors, and elective courses. (Amended on Dec. 7, 2012) (Feb. 21, 2017) (Jun. 22, 2018)
 - 1) The credits to be recognized in each semester should be determined pursuant to the criteria for registration for courses of undergraduates; the limits to credits shall apply.
 - 2) The maximum credits that can be recognized shall be 1/2 of the graduation credits, and, when it comes to majors and liberal art courses, the credits can be recognized following the criteria of the school in charge.(Amended on Dec. 7, 2012)

Article 10 (Procedure for Recognizing Credits)

The credits earned from a university for exchange studies may be recognized as credits of the university within 1/4 of the number of school days of the first semester registered for after the termination of the period of exchange studies by following the procedures below. However, the procedure of Clause 1 to 3 can be omitted when students take the liberal arts courses whose credits have already been recognized (Amended on Dec. 7, 2012) (Jun. 22, 2018)

1. One original copy of the certificate of academic performance issued by the university for exchange studies and the application for recognition of credits (Attached form 1) should be submitted to the professor in charge(adviser) of the course. (Amended on Dec. 7, 2012)
2. The professor in charge(adviser) of the course shall check and verify the contents of the relevant course to determine the completion category and decide whether or not to recognize the credit.(Amended on Dec. 7, 2012)
3. After being recognized by the professor in charge(adviser) of the course, the credit shall be acknowledged (confirmed) by the chairman of the undergraduate school where the course belongs. However, verification (confirmation) of the Director of the Department of Language Education shall be obtained in the case of courses related to foreign language.(Amended on Dec. 7, 2012)
4. The confirmed application for recognition of credits should be submitted to the Academic Affairs Team. (amended on Jun. 26, 2009)

Article 11 (Criteria for the Recognition of Credits)

The criteria for the recognition of credits for courses completed in universities for exchange studies as credits of the university shall be determined by the undergraduate school where the course for the credits to be recognized belongs. When determining the criteria for recognition, the outline of the relevant courses in the university for exchange studies, lesson plans, etc., should be used as reference. The undergraduate school where the courses for the credits to be recognized belong may take appropriate measures to determine the achievement of studies such as examinations, interviews with students who wish to have their credits recognized, etc.(Amended on Dec. 7, 2012)

Article 12 (Recognition of Credits and Performance Records)

1. Only the credits given by universities for exchange studies should be recognized. In this case, the credits for recognition may not be adjusted. However, in case of universities that have a different credit recognition system, the credits earned from the universities should be recognized by separate criteria.(Amended on Dec. 7, 2012)
2. The performance records at the universities for exchange studies shall not be recognized as

the performance records at the university. In other words, the performance records at universities for overseas studies shall not be included in the calculation of the grade point average.(Amended on Dec. 7, 2012)

Article 13 (Indication in Certificate of Academic Performance)

1. Performance records for exchange studies shall be indicated to be the same as those of universities for exchange studies. (Amended on Dec. 7, 2012)
2. Those courses that can be converted into courses of the university shall be indicated as converted courses; in such case, the course names of universities for exchange studies should be enclosed in parentheses and placed next to the converted course names.(Amended on Dec.7,2012)
3. Those courses that cannot be converted into courses of the university shall be indicated as the course names of universities for exchange studies as they are.(Amended on Dec.7,2012)
4. Performance records for exchange studies shall be separately indicated at the lower right side of the certificate of academic performance after consolidating them. (Amended on Dec.7,2012)

Chapter 4 Courses to be taken at the University during Exchange Study

Article 14 (Exemption from Community Leadership Training)

Students who exchange study for a total of 2 or more semesters shall be exempted from the completion of the “community leadership training 6” course; when applied for by the person, however, he/she may be exempted from 1 course from among the "community leadership training 1~5” courses instead of the “community leadership training 6” course.(Amended on Dec.7,2012)
